

Post Christmas use

A mixture of palatable, proven varieties ideal for sowing after winter cereals.

The mixture is suitable for post Christmas grazing as it exhibits very good winter hardiness, which is improved by the addition of the kale.

Sow mid July - mid September

Seed Rate	Pack Size	S
6 - 8.5kg/ha	10kg	U

Stock should be introduced gradually over a two week period and an area of grassland should be available for animals to return to; water and hay or straw should also be made available. Please contact your supplier for further guidance.
